## **Misuse Policy**

We at Coupearn wish that all the users extract full usage of all the coupons we launch into the market. The usage of these coupons are governed by some policies to ensure that throughout the coupon distribution cycle no party (Team Coupearn, The Vendor and the Customer) is cheated or hard done with.

### **Submission of the Coupon on Use**

The end customer is expected to use one coupon only once. The coupon is meant to be submitted at the vendor outlet at the time of redemption. Vendor will grant the benefit mentioned on the coupon only on submission of the coupon to the vendor.

### **Prevention of Duplication**

Nobody is entitled to produce a duplicate coupon or a similar looking coupon except for Coupearn and its associates. Duplication of the coupon will be considered as an offence and may have legal implications. If a person is aware of someone else trying to duplicate or create a similar looking coupon the person should immediately inform the Coupearn team regarding the same.

### **Unauthorized Selling**

Selling / distributing the coupon without knowledge of team Coupearn is an offense and may have legal implications. Only Coupearn Team and its associates possess the right to produce, sell and distribute these coupons.

### **Unauthorized Buying**

Buying the Coupearn Coupons from anybody other than Coupearn or any of its associates is an offense and may have legal implications.

### **Vendor Negotiations**

You are entitled to receive only the mentioned benefit at the vendor outlet. Trying to negotiate anything other than what is mentioned on the coupon will be categorised as misuse of the coupon.

### **Unintended Recipient**

If you are not the intended recipient of the coupon, it is your responsibility to communicate to Coupearn and hand back the coupon. Using the coupon in this scenario will be categorised as misuse of the coupon.

### **Modification of the Misuse Policy**

The Coupearn team reserves the right to change the misuse policy from time to time as it sees fit and your continued use of the coupons will signify your acceptance of any adjustment to this misuse. User is required to check terms and conditions regularly. No notification communication will be done subject to change in the misuse policy
